

DEAR COLLEAGUES! WE INVITE YOU TO SUBMIT YOUR ARTICLES FOR PUBLICATION IN THE PEER-REVIEWED SCIENTIFIC JOURNAL “CURRENT ISSUES OF LAW: THEORY AND PRACTICE”!

The collection of scientific papers “Current Issues of Law: Theory and Practice” aims to address theoretical and practical issues concerning the development of the national legal system based on the rule of law in the context of Ukraine’s growing aspirations for European integration, methodological and applied challenges of contemporary legal scholarship, as well as practical experience in implementing legal mechanisms for the protection of human rights and reforming existing legislation.

PUBLICATION REQUIREMENTS

To publish an article in the scientific journal “Current Issues of Law: Theory and Practice”, No. 1 (53), 2027, authors must complete the online application form on the journal’s website and submit the following documents by email to lawfacultyeunu@gmail.com no later than January 10, 2027 (inclusive):

- a completed online application form;
- the manuscript (file name: Ivanenko_article);
- a signed written recommendation from the academic supervisor (if required).

Publication is free of charge.

There are no hidden fees at any stage of the publication process.

Third-cycle (PhD) students enrolled in state-funded programmes are also exempt from any fees or charges for the processing, peer review and/or publication of submitted articles, whether authored individually or co-authored.

PROHIBITION ON THE USE OF SCHOLARLY WORKS FROM THE OCCUPYING COUNTRY

Citing in the text or including in the reference lists any sources published in Russian, regardless of the country of publication, is prohibited. This prohibition also applies to sources published in other languages if they were published in Russia or Belarus.

The collection of scientific papers “Current Issues of Law: Theory and Practice”, No. 1 (53), 2027, will be published on the journal’s website by February 15, 2027.

ABOUT THE JOURNAL

Year of Establishment: 2000.

Founder: Volodymyr Dahl East Ukrainian National University.

Certificate of State Registration of a Print Mass Media Outlet: Series KV No. 15362-3934R, dated June 5, 2009.

Registered as a print media entity (Media Identifier: R30-02218) in accordance with Decision No. 1814 of the National Council of Ukraine on Television and Radio Broadcasting, dated December 21, 2023.

ISSN (Print): 2218-5461.

ISSN (Online): 2412-4397.

Included in the List of Scientific Professional Publications of Ukraine (CATEGORY B) in accordance with Order No. 928 of the Ministry of Education and Science of Ukraine, dated June 11, 2026 (Annex 14).

Indexed in the international scientometric database **Index Copernicus International (Poland)**.

Publication Frequency: Twice a year.

Languages of Publication: Ukrainian and English.

MANUSCRIPT FORMATTING REQUIREMENTS

Manuscripts written in Ukrainian or English are accepted for publication. Manuscripts must be prepared in A4 format, using Times New Roman, 11 pt font, with 1.15 line spacing and a first-line indentation of 0.8 cm. Page margins: top and bottom – 2 cm; left and right – 2.5 cm. The text must be formatted in a single column.

The manuscript length, including abstracts, tables, figures, and references, must be 10–12 pages.

Manuscripts must be submitted in MS Word for Windows format and contain the following elements in the specified order:

- UDC classification number (left-aligned);
- article title (placed after two blank lines, in bold uppercase letters, centre-aligned);
- author's surname and initials (placed after one blank line, in bold italics, centre-aligned);
- article title in English (placed after two blank lines, in bold uppercase letters, centre-aligned);
- author's surname and initials in English (placed after one blank line, in bold italics, centre-aligned);
- abstract in the language of the main text and keywords (placed after three blank lines, in italics, with a minimum length of 1,800 characters);
- main text of the article (placed after one blank line and structured to include the following mandatory elements: a general statement of the research problem and its relevance to important scientific and practical issues (5–10 sentences); an analysis of recent studies and publications addressing the problem and forming the theoretical basis of the research (up to 0.75 pages); identification of previously unresolved aspects of the general problem addressed in the article, as well as a statement of the research aim and objectives (up to 0.5 pages); presentation of the main research findings with comprehensive justification of the scientific results obtained; conclusions of the study; and prospects for further research in the relevant field).

In-text citations must be provided in parentheses, as illustrated in the following example: (Melnyk, 2024). When referring to specific pages of a source, page numbers should be indicated after a colon, for example: (Melnyk, 2024, pp. 15–17).

- List of References in the Original Language – placed after one blank line following the main text and formatted in accordance with APA Style (**APA Style Reference Citations**).
- References – placed after one blank line and formatted in accordance with APA Style.
- To ensure the quality and accuracy of scholarly citations, the DOI of each source must be included in the reference lists whenever available.
- Abstract and keywords in English. The English-language abstract must be extended (placed after one blank line, in italics). For articles written in a language other than English, the English-language abstract must contain at least 1,800 characters, including keywords.
- Date of manuscript submission (placed after one blank line, in italics).
- Reviewer's surname and initials (placed after one blank line, in italics).

Each manuscript must be accompanied by **AUTHOR INFORMATION**, including the author's full name (surname, first name, and patronymic, where applicable); academic degree, academic title, position, institutional affiliation; **ORCID iD**; telephone number; and email address.

This information must be provided in full, without abbreviations, at the end of the manuscript, as a single sentence with details separated by commas, and included in the same file as the manuscript.

Manuscripts submitted by authors who do not hold an academic degree must be accompanied by a written recommendation from their academic supervisor.

Authors are responsible for the accuracy of all facts, quotations, figures, and names provided in their manuscripts. The Editorial Board reserves the right to reject manuscripts that are of insufficient quality or do not comply with the above requirements without providing an explanation.
